The main content area displays "Your lineage" with a search bar and filters for Level (10) and Member (All). A modal window is overlaid on the page, providing instructions for navigating the lineage tree. The modal includes a "Close" button and a checkbox labeled "Don't show again".

Your lineage

Level: 10 Member: All Search

Pan : Drag
(click and hold mouse to move)

Zoom : Scroll (mouse wheel)

You can move down by clicking on the screen and moving the mouse up instead of lowering the screen with the mouse wheel like the previous lineage. Please note that you can use the mouse wheel to zoom in and out.

The previous lineage has difficulty moving left and right by moving with the mouse wheel, so the renewed lineage has been improved to allow full movement and viewing.
